

Food Drive Host for 2026!

We're proud to once again partner with Alameda County Community Food Bank as their 2026 Food Drive Host.

Food insecurity continues to affect thousands of families across Alameda County. By partnering with ACCFB, we're helping ensure more neighbors have access to healthy, nutritious meals.

Last year, thanks to the generosity of our members and support from our team, we helped provide **18,000 meals** to local families—a significant increase from the 3,100 meals we provided when we started in 2022.

How You Can Help

You can drop off non-perishable food donations at any of our branches. To find a branch near you or learn more about our food drive, scan the QR code or visit 1stunitedcu.org/fooddrive.

Turn Tax Season Into an Investment Opportunity

Tax season isn't just about filing—it's a smart time to revisit your investment strategy.

If you're receiving a refund, consider putting it to work toward your long-term goals. Even a one-time contribution can give your funds additional time in the market and allow compounding to work over time.

This time of year also provides an opportunity to review your portfolio from a tax perspective—including capital gains, dividend income, and overall allocation. Depending on eligibility, you may still be able to make prior-year retirement contributions before the filing deadline.

A thoughtful review now can help ensure your financial strategy remains aligned with your goals and current circumstances.

If you'd like to explore your options, contact Rahil, your financial advisor at Osaic Institutions, Inc.* located at 1st United Credit Union or schedule an appointment by scanning the QR code or visiting 1stunitedcu.org/investments.

Estate planning isn't just about documents—it's about protecting the people you love.

Planning for the future is an important part of financial well-being. Yet more than 60% of adults still don't have a will in place. Without one, important decisions—from who receives your assets to who can make medical or financial choices on your behalf—may be left up to the courts.

A solid estate plan can help:

- Ensure your wishes are clearly documented
- Name guardians for minor children
- Avoid unnecessary delays or probate costs
- Keep important decisions in trusted hands

That's why we've partnered with Legal Karma to make estate planning simple, affordable, and accessible for our members. Their guided online platform helps you create essential documents like a will, trust, power of attorney, and healthcare directive—all designed to protect what matters most.

To help you get started, 1st United is offering a limited-time **\$100 discount** off any estate planning package with **promo code PLAN100**. Scan the QR code or visit 1stunitedcu.org/legalkarma to learn more.

Offer ends June 30, 2026.
